

## Successful Strategies for MLTI

- ✓ Vision
- ✓ Fears and Hopes
- ✓ Regular meetings with the leadership team
- ✓ Scheduled Time for teachers to meet regularly to problem solve and learn from one another during the school day
- ✓ Develop a matrix of skilled folks within the building
- ✓ Provide time for techno shows, teacher sharing and problem solving
- ✓ Encourage teachers to attend the Content meetings in their region
- ✓ Develop a student tech team
- ✓ Tech folks need to be reading the tech news
- ✓ Do they have an acceptable use policy
- ✓ Do you have a home use policy
- ✓ Review the job description of a Teacher Leader
- ✓ Staff meetings to set standards re: policies and practices around technology management and First Class email
